

ANION RECEPTORS BASED ON RESORCIN[4]ARENES

Supramolecular Chemistry Days for Young Researchers 2025 was held in **Salerno, on the 11th - 13th June 2025**. The meeting took place at the **University of Salerno, Fisciano Campus**. It was the perfect platform for postdoctoral fellows, PhD students, and early career researchers to present and discuss about their scientific results, hence offering an opportunity for the sharing of ideas and practical expertise, allowing supramolecular chemistry researchers to actively contribute to the community.
